Please Designate the tuition credit generated by our SCRIP purchases to the family of the following student(s):

Student's Name	Grade	Parent's Name

I understand that the tuition credit (100% of rebate) generated by my SCRIP purchase will be put in the St. Peter's School Tuition Assistance Fund unless I designate a student to whom it is directed. This is meant for the sole purpose of lowering tuition costs for that student. If for any reason that child does not attend St. Peter's School or transfers out of St. Peter's, I understand that I can re-designate the accumulated tuition credit to another child or to St. Peter's School Tuition Assistance Fund.

I realize I must fill out a "Family Order Form" whenever I purchase SCRIP in order for the correct Tuition Credit amount to be applied to designee.

***SCRIP Tuition Credit will be applied to tuition twice per year; Near the beginning of school and beginning of the New Year, January.**
